NEW BUSINESS

San Marcos Unified School District Update/Facilitron Reminders

Ted Norman with the San Marcos Unified School District provided an update to the group. Sean with City SC raised questions regarding the new pricing presented by the district. Whitney from San Marcos Pop Warner shared that Facilitron has been an inconvenience for her organization, as it does not allow scheduling as far in advance as her group needs. Torri with San Marcos Youth Lacrosse also expressed concerns regarding the high squirrel population at San Elijo Middle School. Darren confirmed that all YSC groups are covered under SAM insurance coverage.

City Parks/Sport Fields Updates

Amanda provided an update on sports field closures and maintenance plans heading into the summer season. She shared the scheduled field closure dates, noting that the first closure will

begin May 18 at Las Posas Upper. Adrian informed the group that San Elijo Lower will only be closed for one month this year, rather than the typical two-month closure in previous years. Amanda also notified the group that the majority of softball fields at Bradley Park will undergo sod repairs. While the fields will not all be closed simultaneously, there will be overlapping closures as each field is repaired.

YSC Updates/Announcements

Stephen from Legends FC, who is not currently part of the YSC, attended the meeting and informed participants that he had submitted an application for inclusion in the YSC. He also shared that he looks forward to the opportunity for Legends FC to be included in the YSC. Sean from City SC informed the group that he had previously invited Legends FC to unite with their organization, but Legends FC declined the opportunity.

Adrian reminded all organizations of the updated player fee requirements, including the minimum requirement that 70% of participants be San Marcos residents. Whitney asked whether an organization would immediately lose YSC status if it fell short of the 70% requirement by only one or two percentage points. Darren clarified that organizations would not be immediately removed from the YSC, but continued failure to meet the minimum requirement could result in corrective action.

Adrian also reminded the groups to submit their field request forms to Eric by the next YSC meeting on June 2. Additionally, Adrian informed members that organizations will be required to provide a water or gas bill to verify residency, and field audits will begin in the fall around mid-August to ensure fields are being fully utilized.

Adrian reviewed additional upcoming deadlines, including participation documentation due June 22 and practice schedules with detailed breakdowns due August 10. He also confirmed upcoming one-on-one meetings with all YSC organizations and encouraged representatives to come prepared with feedback, emphasizing that the meetings are intended to provide the city with an opportunity to hear concerns and take input into consideration.

Old Business

Adrian provided the Park Ranger hotline phone number (760-744-9494 ext. 3700 or 3707). He reminded all members that if they need assistance in the parks to contact City staff or the Park Ranger hotline. If they encounter disturbed transients or any public safety issues at the parks to contact the Sheriff's Department non-emergency line (760-510-5200) or 911

depending on the severity of the incident. Adrian reminded the members to submit their banner applications before putting the banners up at the fields and to take them down by August 1. He also encouraged members to release any unused field time to allow maximum field usage within the city.

Field Closed Policy/Weather Line/Rainedout.com

Adrian asked the groups to please notify participants and parents of the rainedout.com signup again to ensure participants are notified of field closures during inclement weather.

Next regularly scheduled meeting will be Tuesday, June 2, 2026 @ 6pm. The meeting adjourned at 6:39pm.
