Hi Song,

I hope you're doing well.

My name is Michelle Surakhanova, and I serve as the Government Affairs Specialist for Neighborhood Healthcare. I plan to attend today's Planning Commission meeting and wanted to take a moment to introduce myself ahead of time.

As part of my role, I work to build relationships with local government leaders and stay informed on community planning and development efforts that impact the residents we serve. We also have an office located at 2085 Montiel Rd, Suite 102, San Marcos, CA 92069.

I'd love to schedule an informal meet-and-greet or site tour with Planning Commission leadership to introduce Neighborhood Healthcare and explore ways to stay connected as community needs evolve. I'd also be glad if you're able to join.

If there is a Commission Chair, Vice Chair, or other leadership representative who would be appropriate to include, I would greatly appreciate an introduction or guidance on how best to coordinate.

I would also welcome the opportunity to explore potential areas of collaboration between Neighborhood Healthcare and the Planning Commission as appropriate, particularly where community development and health access intersect.

I look forward to attending the meeting and hopefully meeting you in person.

Thank you for your time and consideration.

Best regards,

Michelle
