ONE-DAY PROGRAMS

MESSAGE FROM YOUR P&R TEAM

Welcome to the Summer 2026 Recreation Guide!

As the days get longer and the sunshine returns, we're excited to welcome you to months filled with fun, adventure, and connection here in San Marcos. This time of year is always a favorite in our community, and we're especially proud of what we're bringing you in 2026.

You asked for more options, more variety, and more ways to keep kids active and engaged, and we're delivering in a big way.

This year features new full-day camp opportunities, more than 160 half-day specialty camps, and expanded sports and swim programming. From art and STEM to dance, mixed interests, and athletics, our camps give every child the chance to explore their interests, build confidence, and create lasting memories.

We're also excited to share that Adventure Day Camp is expanding with a fifth location. Beginning this year, the Richmar Center at 131 Richmar Avenue, located next to the San Marcos Senior Center and Fire Station 1, will serve as an additional site. This expansion allows us to welcome even more campers while continuing to provide the high-quality experience families expect.

Adventure day camps include weekly themes filled with arts and crafts, games, special activities, field trips, and pool visits, all led by our trained recreation staff.

Camp registration opens in early April 7, and we encourage families to plan ahead as programs fill quickly.

Beyond camps, our calendar is packed with opportunities for the whole community. Join us for the RED, WHITE, and BOOM! Fourth of July celebration, Movies in the Park, the Summer Concert Series, Junior Ranger Day, the Bags N' Brews Cornhole Tournament, free City hikes, Trail Talks, and MORE! We invite you to explore this guide and discover all the ways to stay active, connected, and engaged.

Thank you for being part of our Parks and Recreation community. We look forward to seeing you out in our parks, facilities, and programs throughout the months ahead.
